RESPONSE

Dear Sir:

This paper is filed in response to the Office Action mailed September 14, 2007 in this case.

Status of the Present Application:

The Examiner has issued and has now withdrawn multiple indications of allowable subject matter in the present case. The changes in the treatment of the claims have caused Applicants to spend an undue sum of time and money to prosecute the present application and has delayed the grant of any meaningful patent protection from an application that was filed on October 16, 2003. The following sums up the Examiner's changing treatment of the claims.

On October 18, 2005, the Examiner issued an office action rejecting claims 72-78 (previously claims 1-7), 83-88 (previously claims 12-17), 91-93 (previously claims 20-22), 100-
